About the Artist

JIM KASPER

Jim Kasper is a Minnesota-based wildlife artist whose passion for both art and nature shaped his career. After earning a BFA from the Minneapolis College of Art & Design and working for Hallmark, Kasper returned to his roots to pursue wildlife painting full time. Working primarily in acrylics, his creative process begins in the field, drawing inspiration from direct experiences in nature. His goal is to evoke emotional responses that highlight the beauty and richness of wildlife and their habitats. Kasper is a committed conservationist, having supported organizations like Pheasants Forever and Ruffed Grouse Society, and received numerous honors including multiple Artist of the Year titles.
